- If multiple images are selected for a product, submit one file per image.
- For multiple print and/or double print products, please design on all layouts within the template even if the layout graphics are the same.

The MAGENTA line shows the bleed line. Please extend artwork to this line if it goes to or past the finished size.

The CYAN line shows the finished size.

The BLACK line shows the stitching line.

The GREY line shows the image safety line. Keep all text, logos & important images inside the safety line or they might get cut off.

* Due to the nature of the CMYK printing process, the reproduction of PANTONE® colors is not always 100% possible. Please reference a Pantone® Color Bridge® book to receive a process color simulation. Further information can be found on our website.

A diagram showing the six faces of a cube. The faces are arranged in two rows. The top row contains the 'back' face (a rectangle) and the 'top' face (a quarter-circle). The bottom row contains the 'left side' face (a rectangle), the 'right side' face (a rectangle), and the 'bottom' face (a quarter-circle). Each face is outlined with a blue border and a pink border. The 'top' and 'bottom' faces are quarter-circles with a blue outer arc and a pink inner arc.
